

The University of Alberta Alumni Association is pleased to announce that Dr. Cristelle Audet is the recipient of the 2011 Alumni Horizon Award. This award celebrates outstanding achievements of University of Alberta alumni early in their careers.

Cristelle Audet, '04 PhD, is making groundbreaking strides as a leading researcher examining social justice issues in the counselling profession. An assistant professor at the University of Ottawa, she has received much recognition and funding for her work on the role of counsellors in developing countries. She is chair of the Canadian Counselling and Psychotherapy Association's Social Justice Chapter and Ethics Committee and is also in the process of launching a national Counsellors without Borders program. Her humanitarian leadership extends beyond academia. She is the co-founder and managing director of One Child's Village, an NGO that helps HIV/AIDS orphans in Kenya. To date, One Child's Village has built three schools, a dormitory, and a health clinic and is making an incredible difference in the lives of hundreds of Kenyan children.

We hope that you are able to join us on September 22, 2011, at the Winspear Centre for Music as we celebrate the accomplishments of Dr. Cristelle Audet and 37 other award recipients at the 2011 Alumni Recognition Awards.
